

# THE TRUTH ABOUT PROP HH

## 1. IT'S A HUGE TAX INCREASE THAT ENDS TAXPAYER REFUNDS.

- Within a few years, taxpayers will no longer get checks like the \$750 checks they got last year. The state will simply keep the money, effectively increasing state taxes by up to \$12.5 billion over the first decade.

## 2. IT ALLOWS THE STATE TO CONTINUE KEEPING REFUNDS FOREVER WITHOUT ADDITIONAL VOTER APPROVAL.

- The measure initially lasts 10 years, but the state can extend that indefinitely without asking voters. Over 30 years, state taxes will increase by up to \$200 billion.

## 3. IT WOULD RESULT IN THE LARGEST PROPERTY TAX INCREASE IN STATE HISTORY THIS YEAR.

- Proposition HH would lock in the impending property tax increases forever, allowing property taxes to climb in future years just as quickly as they would without the measure.
